## **Water/Sewer Operator CITY OF MINERAL POINT, WI**

The City of Mineral Point is accepting applications for a full-time Water/Sewer Operator. The Water/Sewer Operator is responsible for the general operation and maintenance of the Water & Sewer Department, including daily readings and samples for testing. Work also includes routine maintenance of lift stations and pressure reducing valves and hydrants.

Candidates must have earned a High School Diploma or GED; course work in municipal or environmental engineering, and three years of related work experience or equivalent combination of education and experience that meet these minimum qualifications. Basic mechanical aptitude with power tools, backhoe, vac truck, pressure reducing valves and lift station maintenance is a must. Must be able to follow direction from the Utility Superintendent and be self-motivated to provide service to the residents of the City of Mineral Point. Must possess certification by the State of Wisconsin in general wastewater, plus one subclass in any of the following: A2, B, C, SS, or demonstrate the ability to become certified within one year of hire. Applicant must also possess a valid Wisconsin driver's license with CDL. Applicant will be expected to work rotating weekends, holidays and respond to emergencies within the City.

Starting wage is \$21.00 - \$23.00 per hour, DOQ, plus excellent fringe benefits.

Send cover letter and resume to Ryan Kowalski, Utility Superintendent, 137 High Street, Suite 1, Mineral Point, WI 53565, or email to [mpwwtf@cityofmineralpoint.com](mailto:mpwwtf@cityofmineralpoint.com).

Applications will be accepted until the position is filled.

THE CITY OF MINERAL POINT IS AN EQUAL OPPORTUNITY EMPLOYER
